### INTRODUCING THE BEST THING TO HIT CAMPUS SINCE RAMEN NOODLES

Time to add another item to your checklist of back-to-school essentials. Firefox Campus Edition combines the Speed, Security and features of the Firefox browser with special extras that give you streamlined access to music, cool sites and useful information.

It's everything you need for a well-rounded college life, all in one handy place (and for the very student-friendly price of totally free). [Download it today!](#)

#### Listen.
